### Printing instructions .....

- Adobe Reader software must be used to open/edit/print the editable text PDF files, install it free here:  
<http://adobe.com/reader>
- Most files are sized to fit on 8.5 x 11" standard letter size paper/cardstock
- Files should be printed at 100% size (without scaling)

- Signs ..... files: **Sign.pdf**  
**Sign-3x2.pdf**  
**Price-sign-4x6.pdf**  
**Price-signs.pdf**

**Sign.pdf**  
size: 11 x 8.5"  
file is high resolution and can be enlarged to print at larger sizes

**Sign-3x2.pdf**  
size: 3' x 2'

**Price-sign-4x6.pdf**  
size: 4 x 6"

**Price-signs.pdf**  
page size: 11 x 8.5"  
with two 4x6 price signs

Open the Price-sign files in **Adobe Reader** to type in the prices, or you can write the prices on the printout

- Postcards ..... files: **Postcard-edit-6x4.pdf**  
**Postcard-edit-4x6.pdf**  
**Postcards-edit-L.pdf**  
**Postcards-edit-P.pdf**

### Postcards with editable text

Text panel at the bottom of postcards is editable in **Adobe Reader**

**Postcard-edit-6x4.pdf**

**Postcard-edit-4x6.pdf**

size: 6 x 4"

(landscape & portrait formats)

**Postcards-edit-L.pdf**

**Postcards-edit-P.pdf**

page size: 11 x 8.5"

with two 6x4 postcards

(landscape & portrait formats)

Open these files in **Adobe Reader** to edit text

To change text size/color/font:

- select the text you want to change
- press Ctrl+E (windows) or Cmd+E (mac) to show the text properties panel
- change properties using dropdown selectors or type in the text size
- click 'More...' button to show more text options if required

- Pennant banner ..... files: **Banner-cookie-cupcake.pdf**  
**Banner-kisses-for-kyle.pdf**  
**Banner-ladybugs.pdf**

#### INSTRUCTIONS .....

- Print – at 100% size (no scaling) on 8.5 x 11" standard letter size paper/cardstock
- Cut out around pennant shapes
- To hang, either:
  1. punch holes at the top of each pennant and thread onto twine, string or ribbon
 or:
  2. stick on twine, string or ribbon –
    - lay out your banner face down, making sure the letters are in the right order, letters should be in reverse order when face down
    - use sticky tape to attach string to the top/back of the pennants

- Cupcake toppers ..... files: **Cupcake-toppers.pdf**

#### INSTRUCTIONS .....

- Print – at 100% size (no scaling)  
on 8.5 x 11" standard letter size paper/cardstock
- Score along the dashed fold-lines using a ruler and butter knife or the blunt side of a craft knife
- Apply glue stick on the back of each strip of circles, just along the fold line, not over the whole area
- Fold on the scored lines, then allow time for the glue to dry before cutting or punching out
- Punch out circles using 2" circle punch, or cut out with scissors or craft knife
- Use glue or double-sided-tape to attach sticks to the toppers, sandwiching sticks between front and back of toppers

- Cupcake wraps ..... files: **Cupcake-wraps.pdf**  
**Cupcake-wraps1.pdf**  
**Cupcake-wraps2.pdf**  
**Cupcake-wraps3.pdf**

#### INSTRUCTIONS .....

- Print – at 100% size (no scaling) on 8.5 x 11" standard letter size paper/cardstock
- Use craft knife or scissors to cut out wraps
- Apply glue stick or tape to one end and wrap around cupcake

- Water bottle wraps ..... files: **Water-bottle-wraps.pdf**

#### INSTRUCTIONS .....

- Print – at 100% size (no scaling)  
on 8.5 x 11" standard letter size paper
- Cut out using craft knife & ruler or scissors
- To affix to bottles, either:
  1. apply glue stick or tape to one end,  
and wrap around bottles
 or:
  2. cut a length of clear parcel tape  
slightly longer than wrap,  
lay tape down sticky side up,  
place wrap printed side down onto tape,  
and wrap around bottle to stick

- Straw flags ..... files: **Straw-flags.pdf**

#### INSTRUCTIONS .....

- Print – at 100% size (no scaling) on 8.5 x 11" standard letter size paper/cardstock
- Use ruler to line up trim marks, with craft knife cut from one trim mark  
to the opposite trim mark, do not cut all the way to the edge of the sheet
- Apply glue stick on the back of one end of flag
- Fold flag around straw, line up front and back flag ends, press together to stick
- When glue is dry, use scissors to snip out a triangle to make the flag shape
